

Troop 242 River Trip Packing List

The needed packing setup is **one large dry bag** for sleeping bag, sleeping pad, and other stuff not needed in the daytime, **plus one small/medium dry bag** for stuff that might be needed in daytime such as hat, sunscreen, rain jacket, water bottle. **Everything you bring should fit into these 2 bags except for your camp chair.** If you don't have a large dry bag you may line a large duffle bag with a black plastic trash bag and put your stuff into the trash bag.
